

Amendments to the Specification:

Pursuant to 37 C.F.R. § 1.121(b) kindly amend the specification as follows. Amendments to the specification are made by presenting replacement paragraphs or sections marked up to show changes made relative to the immediate prior version. The changes in any amended paragraph or section are being shown by strikethrough (for deleted matter) or underlined (for added matter).

Please substitute the enclosed substitute specification, without claims, for the specification, without claims, as filed (translation of the International Application as filed in Japanese). A substitute specimen under 37 CFR 1.125(b) is supplied herewith, in clean form and also as a marked up copy to show changes from the translated specification.
